PRNewswire RANCHO SANTA MARGARITA, California – August 17, 2011 -- PRNewswire

[Bio-Clean International, Inc. \(BCLE\)](#) announced today that it has entered into a Letter of Intent to Joint Venture with Mariner's Choice International, Inc. ([MCII](#)).

With offices in Jacksonville, Florida Mariner's Choice International is involved in the development and distribution of ecology safe products for boats, cars, workplace and household.

Mike Roth, President & CEO of Bio-Clean International, stated,

"We are excited about this new opportunity. It allows us to add another aspect of eco-friendly business opportunities and we expect it to bring significant revenues to the company. We hope to reach an agreement soon with Mariner's Choice."

Amie Hingston, President of Mariner's Choice, added,

"We welcome the opportunity to join forces with a like-minded company in the 'green' category, which could enhance the sales growth of both companies. We are looking forward to forming a productive and rewarding relationship with Bio-Clean International."

About Mariner's International, Inc.

Mariner's Choice International, Inc. (OTC Pink: MCII) manufactures and markets high-performance, ecologically safe commercial, industrial and retail products utilizing leading-edge readily biodegradable technologies. Each product is tested to exacting standards and superior performance levels that often exceed those of comparable products that contain harmful compounds or ingredients. Some of the company's "green" products employ nanotechnology. For more information please visit: www.MarinersChoice.net

A number of statements referenced in this Release, and any other interviews that have been made, are forward-looking statements, which are made pursuant to the Safe Harbor Provisions of the Private Securities Litigation Reform Act of 1995, and within the meaning of Section 27A of the Securities Act of 1933 and Section 21B of the Exchange Act of 1934. Any statements that express or involve discussions with respect to predictions, expectations, beliefs, plans, projections, objectives, and goals, assumption of future events or performance are not statements of historical fact and may be "forward-looking statements." Forward looking statements are based on expectations, estimates and projections at the time the statements are made that involve a number of risks and uncertainties which could cause actual results or events to differ materially from those presently anticipated. Forward looking statements in this actions may be identified through the use of words such as "expects," "will," "anticipates," "estimates," "believes," or statements indicating certain actions "may," "could," or "might," occur. Such statements reflect the current views of the company's management with respect to future events and are subject to certain assumptions, including those described in this release. These forward-looking statements involve a number of risks and uncertainties, including the timely development and market acceptance of products, services, and technologies, competitive market conditions, successful closing of acquisition transactions and their subsequent integration, the ability to secure additional sources of financing, the ability to reduce operating expenses, and other factors described in the company's filings with the OTC Markets. The actual results that the company achieves may differ materially from any forward-looking statements due to such risks and uncertainties. The company does not undertake any responsibility to update the "forward-looking" statements contained in this news release.
