PRNewswire RANCHO SANTA MARGARITA, California -- Sept. 7, 2011 -- PRNewswire

Bio-Clean International, Inc. ([BCLE](#)) is pleased to announce that the Company, through its Joint Venture with Green Bridge Industries, Inc. and its wholly owned subsidiary, ZAP Industries, Inc., have reached a manufacturing agreement in which Green Bridge Industries has agreed to assist and implement the setup of Bio-Clean International as a manufacturer of green and other cleaning products needed to fulfill their sales and marketing goals.

Under this agreement, Bio-Clean will control the manufacturing of these products as well as other related products for necessary for future expansion plans. Additionally, Bio-Clean will assume part of the Green Bridge's debt as part of the purchase. ZAP Industries, Inc., as part of this agreement, will be the exclusive ingredient supplier to Bio-Clean for some of the products manufactured.

Mike Roth, President of Bio-Clean International stated:

**"We are extremely fortunate for this opportunity to become the manufacturer of our products which will increase revenues and the value of our company."**

William White, President of Green Bridge Industries, Inc. stated:

**"We are truly excited about the expansion of the joint venture we started with Bio-Clean earlier this year,"**

**"We look forward to the increased revenues this will bring this year and next and hope to expand the line rapidly as they utilize their sales contacts in the governmental and military markets to grow the business."**

**About Bio-Clean International, Inc.**

Bio-Clean International is a developer of environmentally-safe cleaning products and bio-remediation fluids designed for a variety of uses. For more information on Bio-Clean International, Inc., visit: [www.BiocleanInternational.com](http://www.BiocleanInternational.com).

### **About Green Bridge Industries, Inc.**

Green Bridge Industries is a Green Products & Technologies company. Since the Company's inception, it has grown and thrived in the area of green cleaners. Green Bridge Industries has plans to upgrade its current products as well as introduce new product lines.

The first of these is its new EZ PAK™ product line, a dissolvable packet aimed at lowering our carbon footprint while still offering superior cleaning performance as compared to traditional, toxic cleaners. The Company is also actively looking towards joint venture partnerships and acquisitions in the alternative energy sector.
